

FLORIDA JAIL/PRISON DIRECTORY

April, 2023

**church of Christ workers
in Florida's jails and prisons**

April, 2023

Jail and prison ministry is part of the Great Commission. We go to those incarcerated to bring the Good News. We go to our brothers and sisters behind bars to restore them and encourage them in their walk.

Gary Wyder of the Lake Butler Church of Christ 475 NW Second Street PO Box 776 Lake Butler, FL 32054 compiled this directory. It combines the Florida Department of Corrections Prison list and responses from all known church of Christ workers and finally, the Florida listing of the National Jail/Prison Ministry Directory of the churches of Christ updated with known working congregations.

Please contact us if you know of other workers, or if any changes need to be made. This directory is free and will be provided to all congregations and workers in the church. It is simply a tool to locate a worker for possible contact with inmates, and families or to assist in their release. Inmates must submit an inmate request for a "spiritual advisor visit" to their Chaplain before a worker can visit them.

If you are not involved in this ministry but are interested; please contact us We have training videos, and materials and will try to connect you with a worker in your area that can assist you. Christopher Carter or Gary Wyder lakebutlercoc@gmail.com 352 377-0058 PO Box 776 Lake Butler, FL 32054

RESOURCE MATERIALS

"Changed Lives - The Story of Prison Ministry"

This 15 minute video introduces people to prison ministry. It tells the story of Ronnie Crocker. Ronnie was converted in prison and now is a Gospel preacher. The video demonstrates the power of the Gospel to change lives and tells why Christians need to be involved in this ministry.

"Moved With Compassion... Loosed Him, and Forgave Him" (Matthew 18:27)

This 13 lesson, 98 minute video provides training for jail and prison ministry volunteers. Elders, preachers, ministry volunteers and correctional staff from 10 States participated in the video. Now you can have experienced workers guide you through every step of this important ministry. The video is a supplement to Buck Griffith's book of the same title (see below).

NewLife Behavior Ministry

30,000+ students in every state plus the District of Columbia are studying the NLB curriculum by mail through the Corpus Christi office. NLB is an intensive Bible-based study that helps change the hearts of students. The 182 lessons (2184 pages) can be taught in the classroom or by correspondence. A Children's Course is also available. It is in English and Spanish as well as other languages. The material is not restricted to inmates. I recommend it for all new Christians.
